## FRANKFORT ELKS HOME HEADQUARTERS FOR LOCAL PEOPLE

Beautiful Home of Frankfort Elks Is Turned Over to Maysville Boys' Band and Local Delegation For Inauguration.

The beautiful new home of the Elks in Frankfort will be headquarters for the Maysville Boys' Band and the Northeastern Kentucky delegation which will go to Frankfort from Maysville on December 9th to see Hon. Edwin P. Morrow inaugurate Governor of Kentucky.

Knowing that the capital city will be crowded to its limits on Inaugural Day and that the boys and girls in the band and other Maysvillians would want some place for headquarters where they could sit down and rest a while, Colonel J. Barbour Russell, manager of the band, took up the matter of securing headquarters for the band and has secured the Elks' Home, one of the best places in the city.

Banners are now being printed by Mr. Lee Hauke, the local signwriter reading "Headquarters Maysville Boys' Band." These banners will be hung across the front of the Elks' Home for the day.

The letter from the Secretary of the Frankfort Elks' Lodge tendering their home as headquarters for the band received today by Colonel Russell follows:

Col. J. B. Russell, Maysville, Ky.

Dear Brother Russell:

In response to your recent favor, I am directed by this Lodge to extend to you and your band the privilege of using our Home as your headquarters while you are here during the inaugural ceremonies. Hope you will have a pleasant trip, and that I will be able to see you when you are here. I know I will hear your band.

Fraternally yours,  
J. B. ADAMSON, Secretary.

## NATIVE MASONIAN MAY BE CANDIDATE FOR U. S. SENATOR

Considerable Interest Taken by Republicans Here in Announcement From Washington That Judge Chas. Kerr May Be Senatorial Candidate.

There was considerable interest taken in local political circles this morning when a telegram from Washington quoting Richard Stoll, of Lexington, that Judge Charles Kerr, of that city, would be a candidate for the Republican nomination for Senator, was received. Judge Kerr is a native of Mason county and his hundreds of friends in this county and throughout this section of the state would lend him their unqualified support.

The telegram follows: Washington, November 20.—Judge Charles Kerr, of Lexington, is to be a candidate for the Republican nomination for senator from Kentucky to succeed Senator Beckham, according to a statement made here yesterday by Richard Stoll, also of Lexington, who is here on his way home after spending a few days in New York and other Eastern cities.

While the name of Judge Kerr has been mentioned frequently in connection with the senatorship, it has been without any intimation upon his part that the judge would be a candidate. The statement, however, of Mr. Stoll, himself prominent in Republican party affairs makes the candidacy of Judge Kerr a definite fact to be reckoned with by other candidates.

It had been felt here for a time that R. P. Ernst, of Covington, would have no opposition for the Republican nomination for senator, but the result of the state election seemed to arouse the Republicans, and it is said here that there may be still other candidates.

## AIRPLANE FALLS AND IS BADLY DAMAGED; MEN NOT INJURED

Plane Leaving Maysville Is Unable to Gain Altitude and in Dodging Tree Falls and Is Damaged so as to Require Complete Dismantling.

The Curtis airplane which has been carrying Maysville passengers for the past several days, met with an accident as it was leaving the Sphar Brick Company's landing field at about 11:35 this morning and was so badly damaged that the pilots are compelled to give up their journey on to Central Kentucky and the plane is being dismantled and will be shipped back to Dayton, Ohio, from where it came.

Lieut. Kenneth Leonard and Lieut. Boswell had just repaired the slight injuries done to the machine in a fall at the landing field a few days ago and had prepared to leave Maysville for some Central Kentucky city. They were unable to gain altitude as they ran across the field and went into the air no farther than fifty or sixty feet. A tree was in their path and as Lieut. Leonard banked the machine to dodge around the tree, something went wrong with the engine and the machine fell to the ground on the Mason County Infirmary property near the Maysville Gun Club's house.

The new propeller, which had just been put on the machine, was broken into splinters and directly in half, while the wings were badly mashed and the machine otherwise mashed up. Fortunately, however, neither of the occupants of the plane were injured in the least and it is thought that the engine is not badly damaged. The machine skidded some 75 or 100 feet after it struck the ground and this caused the wheels to be badly mashed and twisted.

The plane is so badly wrecked that the aviators will not endeavor to rebuild it but will dismantle it immediately and ship it back to Dayton, O., from where it came.

Inferior gasoline is assigned as a cause for the plane's inability to gain altitude.

### THE PRODIGAL DAUGHTER

A matinee will be given Saturday at 2:30 when the "Girl and the Crook" will be presented. The matinee prices are 25 and 35 cents.

## TWO JURISTS KILLED WHEN TRAIN STRIKES AUTO IN FAYETTE

Judge Will Young, Well Known Here, and Judge Harlan Sexton Killed in Accident Near Lexington Late Wednesday Afternoon.

Two of Kentucky's prominent jurists were killed and one other was injured when an automobile in which they were riding to Lexington was struck by a freight train at the Brighton crossing near Lexington late Wednesday afternoon.

William A. Young of Morehead, Rowan county, circuit judge of the Montgomery-Bath-Rowan district, and Harlan Sexton, former county judge, were the victims. Squire S. N. Williams of Frenchburg, county attorney-elect of Menifee county, was also pinned beneath the overturned car, but escaped with a broken arm and painful bruises.

Dr. J. M. Kash and Curt Pieratt, both of Frenchburg, were also in the car, but jumped in time to avoid injury.

Squire Williams was driving the car and, according to Mr. Pieratt, could not see the train as they approached the crossing. His statement follows:

"We were driving toward Lexington, and as we came to the crossing the view of the track was obstructed by the storehouse which stands directly in the corner formed by the road and track. When Squire Williams did see the train we were right up to it and could not stop. He turned the wheel sharply and drove the car into the bank to the right of the road. This caused the car to overturn and Kash and I, who were on the outside seats, were thrown clear. Judge Young and Mr. Williams were held beneath the car, but Judge Sexton was dragged about thirty feet before he was thrown to the road bed."

Judge Young is survived by two brothers, Allie W., who preceded him as judge of the same district and E. Taylor Young, Jr., his wife and three children, a boy and two girls. He had many warm personal friends in Maysville and Mason county.

Judge Sexton's surviving family are three brothers, a wife and four children.

Judge Will Young gained country wide prominence several years ago when he acted as chief attorney for Judge Hargis in the famous Breathitt feud cases. A brother of Judge Hargis was in Lexington Wednesday night and was among the first of the many friends of Mr. Young's to see the body.

The attendants were Mr. Gerald Murphy and Miss Wilena McGraw. The many local friends of the young couple join the Ledger in extending heartfelt congratulations.

## CORN AND TOBACCO FAIR TO BE HELD AT MAYSICK SCHOOL

Thanksgiving Day to Be a Big Day at the Mayslick Consolidated School—Junior Agriculture Clubs to Show Products Boys Raised.

There was much disappointment when it was definitely learned that Mason county would have no Corn and Tobacco Fair in Maysville this fall but it was announced today that the boys and girls in the Junior Agriculture Clubs of the county were not to be denied the opportunity of displaying their products which they had hoped all during the year to display at the big County Fair to be held here.

It is announced that Thanksgiving day will be a great day at the Mayslick Consolidated School and one of the big features of this day has already been decided upon as a Corn and Tobacco Fair for the benefit of the Junior farmers of the county. Already there have been sixteen boys and girls members of the Mason County Junior Agriculture Club, who have signified their intention of entering a specimen of tobacco or corn grown by them during the year. Some experienced Maysville Tobacco dealers will be selected as judges in this contest and it is understood that the quality of tobacco displayed will be a big surprise and will put some of our champion tobacco growers to shame.

While the Corn and Tobacco Fair will be a big feature of the Thanksgiving Day meeting at Mayslick, it will not be the entire program and other details of the big Festival will be announced as soon as finally decided upon by the committee in charge. It is known, however, that Thanksgiving Day will be a big day in Mayslick and that persons from all parts of the county are expected to spend the entire day at the Mayslick School.

## TREATY REJECTED; SENATE ADJOURNED WEDNESDAY NIGHT

Three Attempts at Ratification Fail Decisively and Resolution Declaring War at End Is Offered.

Washington, November 19. — The treaty of peace with Germany was rejected tonight by the Senate.

On the final vote, taken at 9:50 p. m. on the Lodge resolution, ratification was refused by the vote of 43 to 51.

The Senate then adjourned sine die, and the House having taken similar action earlier in the day, the extra session called by President Wilson to consider the treaty came to an end.

Under the parliamentary maneuvering of the Republican majority the treaty was forced into such a situation that it can not be again considered unless the President should choose to resubmit it to the Senate at the session which opens December 1.

If resubmitted it will again go to the Foreign Relations Committee, where, in all probability, it will be held for a long time while railroad legislation and other matters are being considered.

In the meantime, to meet the situation brought about by rejection of the treaty, Senator Lodge introduced just before adjournment a concurrent resolution declaring the war with Germany at an end.

This resolution will be taken up at the beginning of the new session and probably passed.

The defeat of the treaty was brought about by the votes of 38 Democratic and 13 Republican Senators. The Republicans who voted against ratification were senators who have been from the very outset of the treaty fight against the document. All of the Democrats, except Senator Reed, of Missouri, were friendly to the treaty, but yielded to the request of President Wilson for rejection of the Lodge resolution because of the reservations which it contained.

The Senate also voted on ratification without reservation, a motion to that effect being presented by Senator Underwood. It was defeated, 38 to 53.

### PRAYER MEETING AT BAPTIST CHURCH TONIGHT

## RALLY ON FRIDAY TO MAKE PLANS FOR SPECIAL WEEK

Arrangements to Be Made For "Win-My-Chum" Week Celebrated Next Week at Third Street Church.

The Epworth League of the Third Street M. E. Church will have a big get-together rally tomorrow evening. The rally will be purely social and is preliminary to the Win-My-Chum Week campaign which begins Sunday and runs through next week. A fine program has been prepared for tomorrow evening. The first part will be held in the auditorium and will consist of several selections from the newly-organized male chorus, readings and some booster talks. Following this will assemble in the Sunday School room for refreshments and a jolly good social time. The committee in charge of the social assure us that it will be the best ever. All members of the church, young and old, and the many friends are cordially invited. Come early and stay late—every minute will be enjoyable.

For Win-My-Chum Week the Epworth League offers the best program they ever given on a like occasion. Monday evening one of our liveliest and most enthusiastic laymen will be the speaker. Beginning on Tuesday evening Rev. T. B. Roberts, D. D., of Centenary M. E. Church, Lexington, will speak each evening up till Friday. The securing of Dr. Roberts for these meetings is a big feather in the cap of the local Epworthians. Dr. Roberts is pastor of one of the leading churches in Lexington. He is a live worker with young people bringing that enthusiasm into his work that naturally draws and interests the young life of the church and community.

With the exception of last year when the influenza ban prevented the Epworth League this church has observed Win-My-Chum Week with increasing success each year for a number of years. Not only the members of this church but many from other churches and the community at large look forward to these meetings. Announcements of special musical features for each evening will be made later. Let all prepare for a big week.
